## Example

Have you seen this person?

Storm was last seen flying towards a violent, deadly storm heading towards North America however no evidence of a body has yet been found.

An investigation has been started on the disappearance of one of X-man's loyal superheroes and everything is being done to hopefully find her alive.

Storm has long, silky silver locks which sit around her slim, oval face and she wears a jewel, encrusted headband to keep her hair out of her eyes which are as white as snow.

Her long, slender legs make her look tall and strong and she has muscular arms which make her a strong contender to fight.

Her superhero outfit is a tight, emerald blue material which shines brightly against the bright flashes of lightening and her long blue and gold cape can usually be seen flapping wildly behind her.

If you have any information on the disappearance of Storm contact the x-men headquarters as soon as possible on -
