Spelling Battleships!!

🕒 2 players

What to do

- ✓ The aim of the game is to locate & sink your opponent's battleships.
- ✓ Each player must place 4 battleships in the left grid.
- ✓ Shuffle the spelling cards & place them in a pile faced down.
- ✓ Player A picks a card from the top of the spelling pile & reads it to player B
- ✓ Player B must spell that word correctly to be able to take a 'shot' at sinking an opponent's battleship by calling out the name of a certain box by its grid location. For example: B2 or D1
- ✓ Player A must say whether the shot is a miss or hit. Player B can record this in their right grid.
- ✓ If the word is spelt incorrectly player B misses a go & the other player takes a turn.
- ✓ The winner is the first player to have captured all of their opponent's battleships.
