

Theme tasks week beginning 13<sup>th</sup> July 2020

Monday – Can you circle the correct name for the animals below?

 <p>fish bird snake</p>	 <p>dog cat monkey</p>	 <p>bird fish lion</p>
 <p>lizard tortoise bird</p>	 <p>penguin whale fly</p>	 <p>monkey elephant alligator</p>
 <p>hamster dolphin ladybird</p>	 <p>hyena eel frog</p>	 <p>lion owl bat</p>
 <p>lizard butterfly cat</p>	 <p>beetle sheep duck</p>	 <p>whale worm goat</p>

Tuesday – Look at the different categories of animals below. Can you write three things that they have in common?

These animals are mammals:

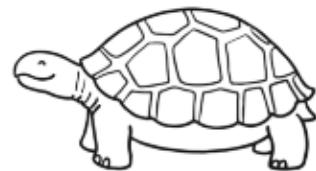

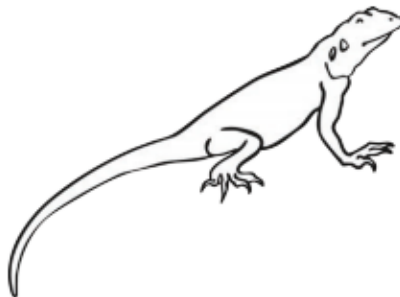

Write three things they have in common.

---

---

---

These animals are reptiles:

Write three things they have in common.

---

---

---

These animals are birds:

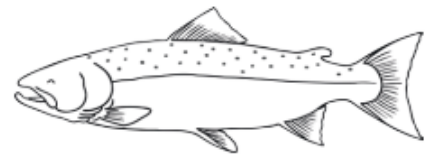

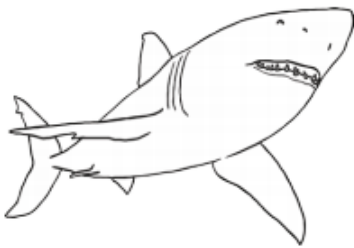

Write three things they have in common.

---

---

---

These animals are fish:

Write three things they have in common.

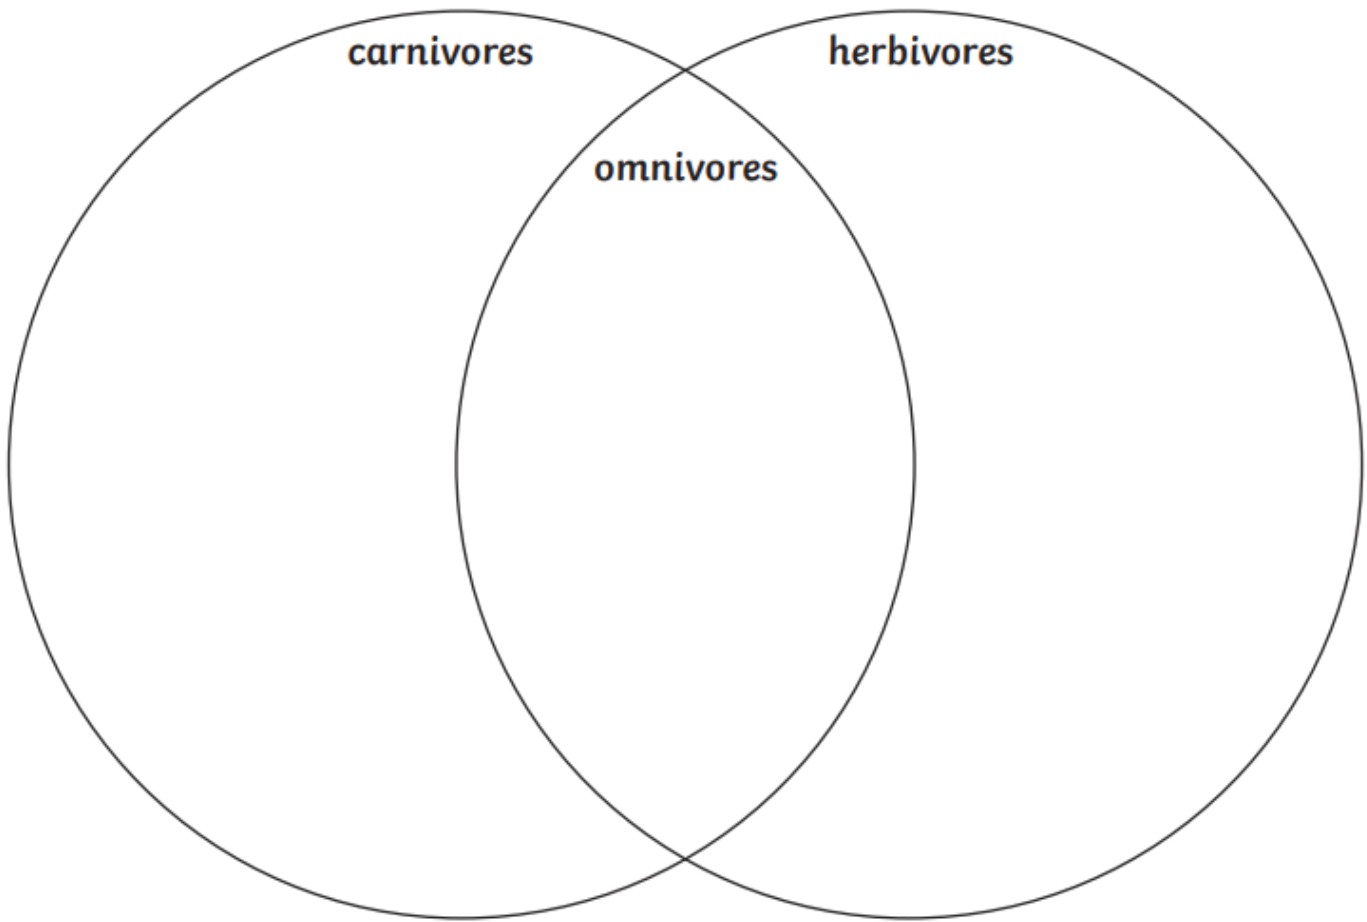

---

---

---

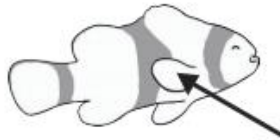

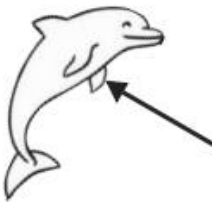

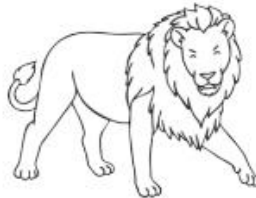

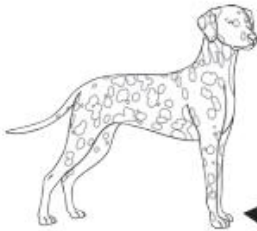

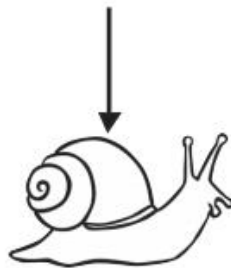

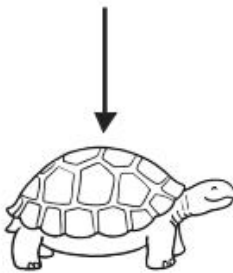

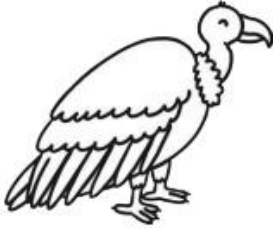

Wednesday – Can you research carnivores, omnivores and herbivores to help you sort the animals into the Venn Diagram below?

- |       |      |       |         |       |         |        |
|-------|------|-------|---------|-------|---------|--------|
| lion  | frog | hippo | penguin | shark | sparrow | spider |
| snake | bear | human | cat     | cow   | sheep   | dog    |

Thursday – Look carefully at the arrows and label the animals body part. Do they have any body parts the same as humans?

paw	beak	shell	fin	wing	tail	horn
-----	------	-------	-----	------	------	------

Friday – Now you have labelled the animals body parts, can you label a human? Think carefully about all the different body parts and see if you can label them! Challenge yourself: Can you label some more body parts that are not already listed and research the organs?

arm	foot	ankle
leg	chest	wrist
head	abdomen	hip
face	knee	thigh
hand	elbow	shoulder
